External Due Diligence Questionnaire

EXTERNAL QUESTIONNAIRE

DUE DILIGENCE QUESTIONNAIRE TO BE FILLED IN BY THE POTENTIAL RECIPIENT

of a Donation or Other Contribution

For the purpose of this questionnaire, Project means the activity contemplated by the Potential Recipient and to the performance of which Sanofi could contribute (through a Donation or another Contribution).

All questions must be completed or a written response of "non applicable" must be indicated.

In the event you have already filled in this questionnaire for another project within the 12 previous months, please filled in only the section(s) to be modified in case of any change compared to the initial questionnaire.

I. Project overview	
Summary of the Project:	
Objectives:	
Total cost of the Project:	
Detailed Project budget:	

REG-NOBA-QUAL-SD-002, version 04 – Template for Supporting Documents – Effective Date: 13-JUL-2015 Ensure that the printed copy of this document is the current version available on the Intranet. Quality Document ID: REG-NOBA-COMPL-SD-013
